Cancellation Request

I give 30 day notice to cancel the Membership Plus services for the members listed above. I understand that my/our regular The Alaska Club membership will remain active and this request is only cancelling the monthly billing for the Membership Plus services that I opted for.

I understand the terms of this agreement require that one person on the account be charged the monthly fee of \$34 as long as there are multiple users on one account. If the 1st user opts to cancel at a future date, one of the additional users that pay a monthly fee of \$20 will assume the 1st user status and be charged at the rate of \$34 per month.

Refunds are not given for unused services and rights of use will expire 30 days from this date.

Notice to cancel the Membership Plus services does not act as a notice to cancel your The Alaska Club membership account.
