Our Squash department offers free monthly clinics September–April and we hold several tournaments during the season. Lessons are available and the rates are listed in this brochure.

We have two challenge court nights to accommodate both new and advanced players. Outside our squash court is a player list to help you find other members who are interested in playing.

All programming schedules can be found within this brochure, your monthly newsletter on the bulletin board at The Alaska Club East and also online at www.thealaskaclub.com.
